Longer lifetime
- Regular decalcification extends lifetime and enhances taste

Sensational coffee quality
- Regular decalcification maintains the coffee taste over time

DOUWE EGBERTS | PHILIPS

Highlights

Exclusive formula
The exclusive formula of the Philips SENSEO® SARISTA bean-funnel coffee maker has been developed to ensure better machine performance and operation. It ensures a thorough decalcification without harming the delicate parts inside your appliance.

Effective protection
The Philips SENSEO® SARISTA decalcifier helps protect your machine against the build-up of limescale from water which affects performance and taste. The decalcifier is highly effective, safe, quick and easy to use. For effective decalcification descale when the Calc indicator goes on.

Better taste and aroma
Regular decalcification keeps your Philips SENSEO® SARISTA bean-funnel coffee maker performing at its best, ensuring the best taste and aroma.
